Claims 1-8 are all the claims presently pending in the application. Applicant

gratefully acknowledges the Examiner's indication that claims 1-8 would be allowable if

rewritten to overcome the rejections.

Claims 1, 4, and 6-8 have been amended in a manner believed fully responsive to the

points raised by the Examiner, thereby to pass all of the claims to allowance. No new matter

has been added.

It is noted that the claim amendments herein are made only for more particularly

pointing out the invention, and not for distinguishing the invention over the prior art,

narrowing the claims, or for any statutory requirements of patentability.

Further, it is noted that, notwithstanding any claim amendments made herein,

Applicant's intent is to encompass equivalents of all claim elements, even if amended herein

or later during prosecution.

FORMAL MATTERS AND CONCLUSION

In view of the foregoing, Applicant submits that claims 1-8, all the claims presently

pending in the application, are patentably distinct over the prior art of record and are in

condition for allowance. Should the Examiner find the application to be other than in

condition for allowance, the Examiner is requested to contact the undersigned at the local

telephone number listed below to discuss any other changes deemed necessary in a telephonic

or personal interview.
